

The mystery of time in Destiny:

Ephesians 5:16 - *So be careful how you act; these are difficult days. Don't be fools; be wise: make the most of every opportunity you have for doing good.*

Your wisdom is your ability to have dominion over time. Whoever can access the secrets that can give you advantage over time, you are walking in wisdom. The greatest gift that God gave man aside from salvation is time. The unit of destiny is time. Whatever affects your time affects your destiny.

Just for knowing God late you have already wasted time. It takes time to know God. It takes time to bring up godly children, it takes time to build something substantial

Redeem time because the days are evil.

If you don't know how to redeem time, you will suffer many bad things

Anything that interrupt your time, Poverty brings interruption to your time and thus your destiny.

When Moses – when he went to Pharaoh and asked him to allow the children of Israel to leave and go to worship their God, Pharaoh removed the provision of the strays and instead asked them to use

their time to gather the straws. They did not have time to worship their God and consequently their destiny was disrupted.

By default every man's life carries a disadvantage. By default, there is no advantage anywhere for any man. You introduce systems of advantage into your destiny as you go, one of them being the salvation.

You come from a family where the first person built a house at 50, which is not a miracle. You come from a family where when you are blessed early a problem is.

If I come from a family where there is no advantage, it is now my responsibility under God to understand God and his ways and then to introduce into my destiny systems of advantage that begins to correct the errors that I met.

You come to appoint where you know and love the lord and the responsibilities upon you to take advantage of the provisions the kingdom provide to start correcting. This is why we have systems like restoration. Restoration is a system of advantage. When you lose time you lose very much I will restore to you the years Joel 2:25

For we (The Kingdom children) know that all things works together –
Romans 8:28 And we know that all things work together for good to them that love God, to them who are the called according to his purpose.

God can keep you for a while others are progressing. God says just stay and know me.... For the keys of remedying your situation is available

When specific conditions are met, restoration happens.

Even the dry bones can live. There was a great army Ezekiel 37 – Under special condition the army of the bones came back a bone to its bone – When the Bible says that all things are possible, you have to understand that there are specific conditions that have to be met.

So we do not complain like the non-believers
